Dear Rebecca,

I wanted to pass on my sincere appreciation for an job well-done by your staff. As a member of the Chamber of Commerce, I was delighted to use another chamber member's services and your company definitely exceeded my expectations. Everything about the move was FANTASTIC. Your personnel arrived on-time, they were friendly and they worked diligently through the entire move. Simply stated, they were GREAT!!!!

Having grown up in a military family as well as serving in the military I am well-aware of the headaches one can encounter during the many moves we must make. Thankfully, I encountered none of those headaches during my move with your staff on the job. Your company moved not only my entire home, but also my own company office flawlessly. I was very impressed with everything and can only hope my next move with he military will be as effortless as this one. Please pass on my appreciation to your employees.

Sincerely,

Robin Knepp
Owner, All About Dogs, Inc.
