Dear Rebecca and Zack:

On behalf of the Prince William County Public Schools Education Foundation, please accept our heartfelt thanks for your overwhelming support of Golf Classic 2005. Thanks to your extraordinary generosity, this year's tournament was a tremendous success.

Despite the soaring temperatures, the tournament was "first class" - offering players a challenging course, fun contests, incredible food and awesome prizes! The golf tees were a favorite gift in the player bags!

Best of all, the tournament netted an estimated \$37,000! This money will be used to enrich the educational experiences of the county's 69,000+ students through the Foundation's Innovative Grants Program and new "Read to Achieve with KidBiz" initiative.

None of this would have been possible without your help! Please know that your generous contribution will truly make a difference in the lives of Prince William County's students and educators during the coming school year.

Again, many thanks for your efforts on our behalf. We hope to see you again at Golf Classic 2006!

Sincerely yours,

Michele Wickham
Executive Director
